

Practical Solutions for Robinson Aircraft

Replacement Seat Installation Kit

The RAMM Aerospace Replacement Seat Installation Kit reduces your ongoing maintenance with detachable cushions and replaceable leather seat covers. Cushions can be easily removed when not in use. Replacement cushions and covers are available and can be replaced without replacing your seat pans or seatback panels.

- New flat seat pans attach to the seat box using existing hinge and pin
- Increased storage place under the seat
- Cushions Velcro onto new seat pans and existing seatback panels
- Cushions can be removed when not in use
- Cushions are designed with added comfort and lumbar support
- Replaceable genuine European leather covers
- Very quick and easy installation
- Available in Tan, Blue and Grey

About RAMM Aerospace

RAMM Aerospace has been providing quality interior products and services to the aviation industry since it was founded in Montreal, Canada in 2008. The company is best known for its meticulous attention to detail and world-class craftsmanship in the manufacturing and finishing of business and commercial cabinetry, upholstery and loose equipment. The company's in-house engineering capabilities enable a timely execution of customer-driven STC solutions. "Our Solutions Start With You!"
